

Label Doctor 222 is a versatile and user-friendly machine developed for the narrow web label industry. The machine is designed keeping operator convenience in mind and operates at eye level to minimize operator fatigue even during long-term use. Features include label count, missing label detection, quick roll change, splice tape dispenser, constant roll tension, auto stop after completion of count, High torque DC Motor, Foot pedal operation, reverse rewinding.

Salient features:

- Stepless speed adjustment
- Single phase operation
- Splice tape holder
- Label counting
- Illumination
- Reverse and forward operation
- Quick roll change without tools
- Missing label detection
- No maintenance
- Easy to use

Model	LD 222
Maximum Roll Width	220 mm
Max. Rewind Roll Diameter	470 mm
Speed	0 - 100 MPM (stepless)
Label Count	999999
Voltage	220 Volts Single Phase
Overall dimension in mm	900 W x 550 D x 1000 H
Weight	55 Kg.
